

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF PENNSYLVANIAIn re: Denise A. Fillmore,
DebtorCase No. **16-13889**
Chapter 13**CHAPTER 13 PLAN (First Amendment)**

1. Payments to the Trustee: The future earnings or other future income of the Debtor are submitted to the supervision and control of the trustee. The Debtor (or the Debtor's employer) shall pay to the trustee the sum of **\$462.65** per month for sixty (60) months of the plan

Total of plan payments: **\$27,758.50**

2. Plan Length: This plan is estimated to be for **Sixty (60) months**.

3. Allowed claims against the Debtor shall be paid in accordance with the provisions of the Bankruptcy Code and this Plan.

a. Holders of allowed secured claims shall retain the liens securing such claims and shall be paid as shown. Payments towards deficiencies on undersecured claims are listed with the Unsecured Claims. Payments towards arrearages on fully secured claims are listed under Arrearages. Please note that, inasmuch as the monthly payments to a mortgage company may include escrow amounts for property taxes, association fees, insurance etc., the mortgage may not be paid in full over the life of the plan. In that event, the Plan shall not be construed as to pay the mortgage "only" the amount listed below. Unless otherwise noted, post-petition payments shall be made outside the plan until the loan is paid in full. If the debtor(s) is attempting a "cram down" that intention will be specifically noted in the plan. Upon payment of the amount allowed by the Court as a secured claim in the Plan, the secured creditors included in the Plan shall be deemed to have their full claims satisfied and shall terminate any mortgage, lien or security interest on the Debtor's property which was in existence at the time of the filing of the Plan, or the Court may order termination of such mortgage, lien or security interest.

b. Creditors who have co-signers, co-makers, or guarantors ("Co-Obligators") from whom they are enjoined from collection under 11 U.S.C. § 1301, and which are separately classified and shall file their claims, including all of the contractual interest which is due or will become due during the consummation of the Plan, and payment of the amount specified in the proof of claim to the creditor shall constitute full payment of the debt as to the Debtor and any Co-Obligor.
